

ORGA-LINE for wooden drawers

More space for good ideas

Selection and Order Specification Manual

Inspirational function and design

Let yourself experience a kitchen with real practical advantages, added convenience and fantastic design.

Through the very best use of storage space:

Full extending drawers and pull-outs are the prerequisite for good utilisation of storage space and enhanced ergonomics. They give you a total overview of the interior and direct access to the entire stored contents.

Through the flexible interior dividing system ORGA-LINE:

Storage space can be easily customised to your needs using adjustable internal dividers such as the ORGA-LINE organisational system. Cutlery containers and divider sections give everything a place and allow unhindered access to the whole interior.

ORGA-LINE received Good Design awards.

Precise presentation

Easy access storage for your cutlery. The removable cutlery containers are made of high quality stainless steel and are dishwasher safe.
